May 15- Day 1: DEPART U.S.A.
We depart this evening on an overnight flight to Italy from Boston.

May 16- Day 2: MILAN- LAKE MAGGIORE
Upon arrival short drive to see Villa Cicogna Mozzoni, a classic example of a 16th century Renaissance Italian Villa. The buildings etched into the steep hillside are accompanied by magnificent garden rooms on three levels, an arcade courtyard with frescoes, broad terraces, and a spectacular water staircase, flanked by cypresses. We board our motorcoach and head for Lake Maggiore where we have dinner prepared from local produce accompanied by regional wine. Overnight in Lake Maggiore/Stresa. (Special dinner with wine.)

May 17- Day 3: LAKE MAGGIORE
The gardens of Villa Taranto, a 100-acre estate overlooking the lake, encouraged by mild winter climate, high rainfall, and hot summers, provide a botanical feast which cannot be missed. Continue by private motor-launch to the Barromean Islands, for a stop on Isola dei Pescatori for lunch. Then to Isola Bella, the 17th century Baroque palace. "From the garden student point of view, there is nothing in Lombardy as important as Isola Bella," wrote Edith Wharton in her classic The Italian Villas and their Gardens. The gardens, first seen from the shore at Stresa, seem to float on the lake's surface. This is undoubtedly one of the most dramatic gardens in Italy, inviting exploration by the architectural and garden historian as well as the amateur gardener. The boat takes us to the lovely town of Stresa, where you may explore on your own and have dinner, before we return as a group to the in Lake Maggiore/Stresa. (Buffet breakfast and restaurant lunch)

May 18- Day 4: COMO-BELLAGIO
Villa d’Este in Cernobbio is palatial and has been from the moment it was conceived until its present state as a sumptuous hotel. Princes of the Church and princesses of the realm have prayed and played here. Fortunes have been lost in the extravagant gamble of owning the villa, and many have indulged their fantasies and left their marks on the house and gardens of Villa d’Este. A scenic drive along the shores of Lake Como takes us to Tremezzo, where we visit Villa Carlotta, built in the 18th century by the Marquis Clereci and gifted to Princess Charlotte of Nassau as a wedding present. The villa houses numerous works of art, and beautiful terraced hillside gardens overlooking the lake. Here one also discovers a relaxed English-style garden, filled with exotic trees, flowers and shrubs. Cross by boat to Bellagio known as the prettiest town in Europe where you have time to explore on your own. Return to the hotel together. Overnight Como area. (Buffet breakfast and hotel dinner)
