LOCATION 3: Marked Spaces Along Fence/Hill. Parking is only allowed under the conditions listed below.

From 8:30 am to 4:30 pm, while the Club is open for the season, the marked spaces on the hill will be available on a limited basis. This will continue until the golf season ends, and the club shuts down for the winter. Osher members must remember the following guidelines:

- The marked spaces on the hill are available for use on Mondays and Fridays, and every day after 4:30 PM.
- On Tuesdays, Wednesdays, and Thursdays, the flag at the top of Hilton Field Road will indicate whether the hill spots are available. A green flag indicates that parking is available for Osher members. A red flag means there is no parking available for Osher members.

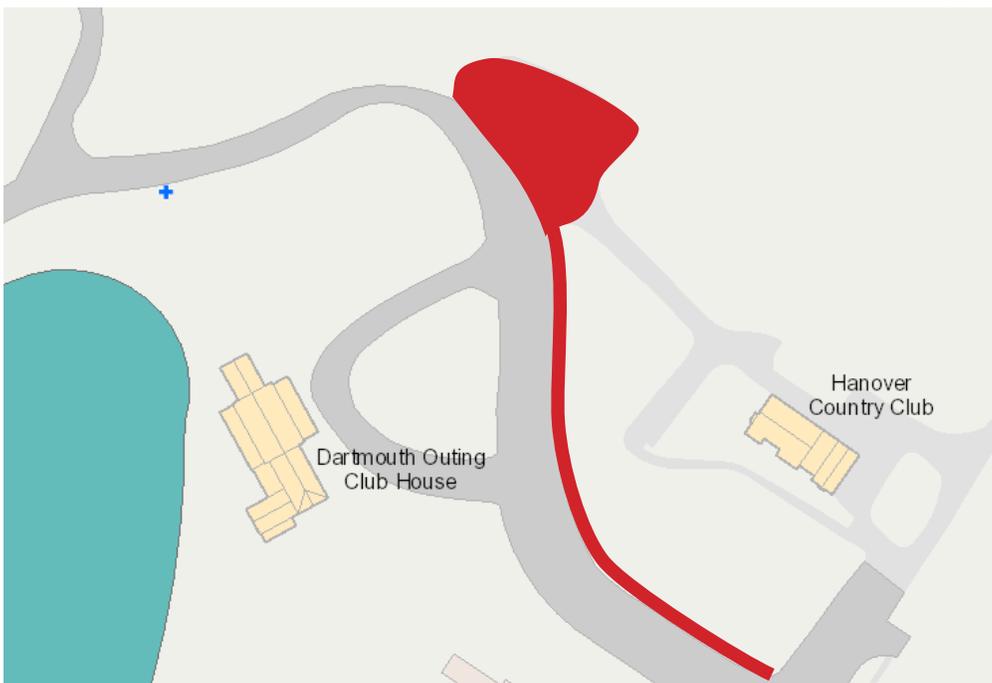

Once the Club has closed for the season, parking on the marked hill spaces will be allowed with no restrictions. The Osher office will provide notice to our members once the official end-of-season date is announced.

LOCATION 4: Gravel Lot. Parking is NEVER allowed to anyone but Club members.

The gravel lot is ALWAYS restricted to the use of the Hanover Country Club and its patrons.
